

## The Coaching Game

**The Coaching Game** is award-winning, aesthetically pleasing and unlike any other. Incorporating the same elements as Punctum, it makes personal development a surprising, inspiring and creative experience. It is a hands-on tool that goes beyond talking and makes it possible to touch on significant issues in an effective and non-confrontational manner.

### Includes:

- \* Deck of 65 cards that depict a topic and corresponding visual point of view
- \* 165 page, full colour Coaching book containing stories, photos, quotes and questions
- \* Layout Process Chart with four coaching processes to guide exploration of issues
- \* Coaching Ticket Notepad to record and summarise insights and action steps
- \* Soft, durable cloth package created from recycled, environmentally friendly materials
